

# Maxpak Australasia

## NEW Fluid Retention Food Trays

**For Frozen Foods, Meat, Poultry, Pastries, Fruits & Vegetables etc.**

- Robust base compared to other similar products currently on the market
- Bevelled and corrugated edges to increase strength and minimise risk of cutting
- Retain Freshness as top lip has a smooth flat surface, creating a better seal for lidding film
- High clarity food grade trays made from recycled material (rPET) and is 100% recyclable
- Eliminates need for soaker pads
