Compostable Produce Rolls

Our New Envirogreen **Compostable Produce Bags** are a sustainable alternative to replace the plastic produce bag rolls.

They are perfect to use when purchasing your fresh food, and then for collecting your food scraps for composting.

Australian Certified for Home and Commercial Composting Facilities, they provide a guilt-free way to dispose of waste. Simply toss them out with your food scraps, and rest assured they will break down as nature intended.

- Product Code: CP4535
- Bag Size: 45 x 25 +10cm
- Quantity: 6 rolls x 250 bags
- After purchasing your fresh produce, reuse your compostable bag to collect organic waste and dispose into organic/green bin
- Food safe and HACCP certified
- Australian certified home compostable AS5810
- Australian certified industrial compostable AS4736
